- Ensure that there are no tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous material markings.
- Affix the postage label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take the package to an Australia Post location or drop it in a street posting box. To find your closest Australia Post location, visit the online [Australia Post Drop Off Locator](#).
